(1-800-941-8100)

As of August of 2026 the cost is **\$79 per student per month**, under the **Roger Billings Scholarship**, otherwise it is **\$99 per student per month**.

Note: For the Scholarship you must watch a live Science video once a week. If you miss **Wednesday** night release of the video you may still watch it until the following **Sunday**. The video is no more than an hour long.

Power home-school is a program intended to aid parents in homeschooling their student. Parents may choose up to 6 courses at a time from numerous courses (grades PreK-12). Students are able to learn at their own pace under the supervision and assistance of their parents.

Complete online courses for grades k-12 Power home-school course materials are standards-based and provide a full online learning experience in each subject area. Each student may take up to 6 courses simultaneously and the selection of courses may be adjusted at any time.

Course features include:

- Video-based lessons
- Reviews & Exams
- Onsite lesson plans
- *Memorization drills
- Interactive practice problems
- *Digital books
- Help videos for difficult concepts

*These features are included in specific courses based on the grade and subject areas.

Learn online at your own pace. Power home-school allows students to learn at their own pace and on their own schedule. When a student struggles, the system provides additional instruction and practice as needed. When a student excels, the system quickly moves them forward as they demonstrate mastery of each concept.

Your first steps are to

- Create a parent account.
 - Go to Enroll Now and complete your payment, it will come out immediately.
 - Choose a PIN you will remember.
 - Create student account and fill in their information.
 - ****REMEMBER**** make sure **Roger Billings Scholarship** is **ENABLED!**
 - Sign in to parent account and select your student.
 - Click the Student Account in the top right corner.
 - Go to Parent Access tab
 - And enter cliljewels@hotmail.com and then click +Add.

Cancel/Withdraw Your Student

You have the option to cancel your account at any time. Before you cancel/withdraw your student's you'll want to make sure that you save and/or print any **student reports** that may be needed. Many reports **cannot be accessed while the account is inactive.**

Sign into the parent account using the **Acellus App** and select **'Manage Account'**. Next you will select **'Billing Details'** located above the green toggle option on the right side of the screen.

NOTE: If you only want to cancel certain student accounts while leaving one or more active, just click the green toggle option next to the student account(s) you want to cancel (**See Pausing a Student Account**). After you **"Pause"** or **"Withdraw"** student, you will not be charged further for those student accounts until they are reactivated. If you want to cancel ALL you student accounts, then proceed to the instruction below.

Scroll down to the bottom of the screen and you will see the options **'Cancel Account'** and **'Disable Auto-Renewal'**. For both of these options, it will deactivate your account at the end your current billing cycle.

Select of the two options and a pop-up window will appear asking you to verify that you would like to withdraw your students. To finalize the cancellation process, select **'Complete Cancellation'**.

Pause Student Account

You can pause your student's account at any time. Before you pause the account, you'll want to make sure that you save or print any student reports that may be needed. Many reports cannot be accessed while the student's account is inactive.

Sign into the parent account using the **Acellus App** and select 'Manage Account'. Off to the right of your student's name you will see a green toggle bar, select this option. Once selected, you will see the prompt to enter a reactivation date. Set your reactivation date and then select 'Pause Student Account'.

Note: Student Accounts can be pause for up to 90 days. If you need to have the account inactive for longer, you may withdraw the student, in which case, you will need to manually **reactivate the student account**, when they are ready to return to coursework.

Reactivate A Student

Sign into the parent account using the **Acellus App** and choose 'Manage Account'. Here you will select the gray toggle option located off to the right of your student's name. This will give you the option to process a payment to reactivate the student.

However, if you see 'Student Paused' next to your student's name, it means that the system is set to automatically reactive this student on the date displayed. If you would like to reactive this student before the set date, you can do so by selecting the gray toggle option.

After your payment has processed, your student will be active and can pickup right where they left off in the courses.
